TO: All Commanding Officers

FROM: Chief of Police

SUBJECT: REQUEST TO FACILITATE APPROPRIATE WORK SCHEDULES FOR THE MEMBERS OF THE 2022 LAPD CENTURION FOOTBALL TEAM

The LAPD Centurion Football team is preparing for the 2022 season of play after a two-year hiatus. The Centurions compete in the National Public Safety Football League against teams from across the country. By participating, team members develop comradery with participants and are able to focus on personal fitness. Additionally, the team raises funds and hosts events for the Blind Children's Center of Los Angeles, an association they have held for over 40 years.

A great deal of time and effort goes into performing at a superior level. Therefore, deployment permitting, it is requested commanding officers make every effort to accommodate the team's schedule. The ability to facilitate work schedules for the members of the Centurion Football team will allow them to attend scheduled football games and practices. A current roster of the 2022 Centurion team members is attached for your convenience.

The LAPD Centurion Football team holds practices on Saturdays from 0900-1100 at Manual Arts High School and will continue through June 18.

The Centurions have six games on the 2022 schedule:

- **March 26, May 14 and June 4**, games will be played in Los Angeles against Orange County, the Los Angeles County Sheriff's Department, and San Bernardino County, respectively.
- **April 8** the Centurions will host San Diego in Las Vegas before the Baker 2 Vegas Challenge Cup weekend.
- **April 20 to April 24** the Centurions will travel to New York to play the New York Police Department.
- **June 25** the Centurions will host the championship game in Los Angeles.

Please note that games played outside California may require consecutive days off due to travel time. Your attention to this request is appreciated.
