### NOTICE

11.2

**TO:** All Office of Operations Personnel

**FROM:** Director, Office of Operations

**SUBJECT:** OFFICE OF OPERATIONS MOBILE FIELD FORCE CADRE  
– ESTABLISHED

The purpose of this Notice is to establish the Office of Operations (OO) Mobile Field Force (MFF) Cadre, consisting of OO personnel who have received enhanced MFF training.

In recent years, the Department has experienced frequent protests and demonstrations requiring MFF responses. Due to the increased frequency of these types of events, and to support already existing MFF operations, the Department has established the OO MFF Cadre.

Effective immediately, the activation of the OO MFF Cadre for pre-planned events shall be with the concurrence of the OO.

The watch commander, incident commander, or the watch commander of Communications Division shall continue to declare a tactical alert when necessary. The responsibilities of the incident commander shall remain consistent with the existing MFF protocols, including all relevant notifications outlined in the Los Angeles Police Department Emergency Operations Guide, *Volume 1, Emergency Operations Policies and Procedures*, dated 2009.

**Note:** The OO MFF Cadre does not relieve geographic bureaus of their responsibility from preparing or deploying their own resources for pre-planned events.

Personnel assigned to the cadre shall adhere to their established work hours, assigned duties, and deployment schedules unless otherwise activated. Personnel shall comply with Department policies and the applicable Memorandum of Understanding.

If you have questions regarding this matter, please contact the Office of Operations, Staff Research Unit, at (213) 486-6050.

EMADA E. TINGIRIDES, Assistant Chief
