

OFFICE OF THE CHIEF OF POLICE

NOTICE

1.14

JULY 18, 2025

TO: All Department Personnel

FROM: Chief of Police

SUBJECT: IMMIGRATION ENFORCEMENT PROCEDURES - REVISED

PURPOSE

The purpose of this Notice is to revise the Immigration Enforcement Procedures from the December 29, 2017, Office of the Chief of Police Notice in order to comply with the newly added Chapter 19 of the Los Angeles Administrative Code (LAAC) that prohibits the use of City resources, including personnel and property for immigration enforcement purposes. Specifically, Section 19.191 of LAAC now prohibits making a person in custody available to any Immigration Agent for an interview for the purposes of Immigration Enforcement. Other policies surrounding immigration remain unchanged.

PRINCIPLES

The Los Angeles Police Department (LAPD) is committed to protecting the public from crime and other harms through collaborative partnerships and constitutional policing principles including the fair and impartial enforcement of the law regardless of a person's race, ethnicity, national origin, or civil immigration status. The LAPD, as a local law enforcement agency, does not engage in civil enforcement of immigration law. This means LAPD does not participate in deportations or removals.

DEPARTMENT OBLIGATIONS AND CIVIL IMMIGRATION ENFORCEMENT

The Congress of the United States has vested United States Immigration and Customs Enforcement (US-ICE) and United States Customs and Border Protection (US-CBP) with the legal authority and responsibility for enforcing civil immigration laws including status violations and removal proceedings. Therefore, Department personnel must abide by the limitations in legal authority and responsibility for enforcing federal civil immigration laws.

The California Values Act (CVA), other state laws, and existing Department policies and practices provide procedural protections to ensure that Department personnel do not go beyond existing legal authorities or contradict the Department's steadfast commitment to community and constitutional policing principles.

PROCEDURES

Set forth below are procedures regarding immigration enforcement that reflect existing Department policies and practices, new provisions of the LAAC, and additional requirements during field, custodial, task force, and non-task force operations.

FIELD OPERATIONS

Detentions, Arrests, Interviews, and Victim Assistance

Federal and state law prohibit a police officer from detaining an individual based on the person's civil immigration status or, with limited exceptions, making a misdemeanor criminal arrest for an offense that did not occur in the officer's presence.

The provisions codified in Department Manual Section 4/264.50 remain in effect. Accordingly, Department personnel shall not:

- Initiate police action with the objective of discovering the civil immigration status of any person; or,
- Arrest an individual for the federal misdemeanor offense of 8 U.S.C. § 1325, Improper Entry.

Additionally, Department personnel shall not:

- Investigate, interrogate, detain, or arrest a person for civil immigration purposes; or,
- Inquire into an individual's civil immigration status.

Exceptions: Crime or Trafficking Victim- Visa Applications (U and T Visas). State law does not prohibit inquiring into information necessary to certify an individual who may be a crime or trafficking victim and potentially eligible for a U or T Visa under federal immigration laws (Cal. Gov. Code § 7284.6(b)(4)). It is not necessary, however, to record the immigration status of the individual on the certification form or in Department records.

Accordingly, Department personnel shall not inquire about, or record, a person's civil immigration status unless, under the particular circumstances it is necessary to:

- Provide victim services such as T or U Visa information or certifications;
- Investigate a criminal offense (e.g., sexual exploitation, trafficking, involuntary servitude, extortion, etc.); or,
- Otherwise required by law.

Criminal Immigration Offenses

Federal Criminal Arrest Warrants. Department personnel shall continue to honor arrest warrants issued by federal district court or magistrate judges for criminal offenses including arrest warrants for federal immigration crimes.

Temporary Detentions for Illegal Reentry Criminal Offenses. Officers may detain for investigation, based on reasonable suspicion, a person suspected of violating 8 U.S.C. § 1326(a), (b)(2), Illegal Reentry after Conviction of an Aggravated Felony, a felony immigration offense, under the following circumstances:

- The person was initially contacted by Department personnel for reasons unrelated to immigration enforcement;
- The person is reasonably suspected of having a prior conviction for an “aggravated felony” under federal law;¹
- The purpose of the detention is to determine if the prior conviction for an aggravated felony is also classified as a “serious or violent felony” as defined in California Penal Code §§ 1192.7(c) and 667.5(c);² and,
- The person is not a victim of, or a witness to, a crime or can otherwise provide evidence in a criminal investigation.

Release Requirement. Department personnel shall release the person if, during the detention, it is determined that the prior felony conviction is neither a serious nor violent felony under California law and the person is not otherwise subject to arrest or detention based on a nonimmigration local, state or federal offense.

Approval Required Prior to Arrest or Transfer. Prior to conducting a probable cause arrest for a violation of 8 U.S.C. § 1326(a), (b)(2), or transferring a suspect to federal authorities such as US-ICE or US-CBP based on a probable cause arrest for 8 U.S.C. § 1326(a), (b)(2), Department personnel shall obtain approval from the Department Immigration Affairs Liaison (DIAL) appointed by the Chief of Police.

Place of Birth Inquiries

Some members of the public may misperceive the purpose of inquiring about a person’s birthplace when questioned during a law enforcement contact, especially when contacting the police as a victim or witness. To minimize the potential misperception and possible degradation of public trust, the following procedures shall take effect:

¹ Aggravated felonies are defined under federal law and a prior conviction for an aggravated felony is typically noted on a National Crime Information Center notice regarding a suspect.

² See Appendix for a list of serious and violent felonies under California law.

- **Victims, Witnesses and Temporarily-Detained Suspects.** Officers shall not ask a victim, witness, or temporarily-detained individual for their place of birth unless necessary under the particular circumstances to investigate a criminal offense.
- **Arrestees.** Department personnel may ask and record an arrestee's place of birth when it is:
 - Necessary to book or process the arrestee for a criminal offense;
 - Necessary to comply with consular notification obligations,
 - Necessary to investigate a criminal offense; or,
 - Otherwise required by law.
- **Field Interview Cards.** Department personnel shall no longer record a victim, witness or temporarily detained individual's place of birth on Field Interview Cards, Form 15.43.00, unless an exception set forth above applies.

CUSTODIAL OPERATIONS

Consular Notifications

Department personnel shall continue following the procedures set forth in Department Manual Section 4/765.80, to comply with federal law and the Vienna Convention on Consular Relations obligations.

Civil Immigration Detainer Requests

Department personnel shall not detain an individual based on a US-ICE Detainer Request without a judicial probable cause determination or judicial warrant that authorizes a law enforcement officer to arrest and take into custody the individual for a federal criminal immigration offense or other crime.

ICE Notification of Release and Information Requests

Public Information. Department personnel shall provide arrestee information to US-ICE or US-CBP only as required under:

- The California Public Records Act (CPRA); and,
- Federal law under 8 U.S.C. § 1373, which prohibits any Department policy that restricts Department personnel from sending information regarding citizenship or immigration status, lawful or unlawful, of any individual to the U.S. Department of Homeland Security or US-ICE.

Non-Public Information. Department personnel shall not disclose non-public information regarding an arrestee, including an arrestee's home or work address, except as required by federal law under 8 U.S.C. § 1373.

ICE Access to Jails for Custodial Transfers. Department personnel shall not permit US-ICE agents access to Department jail facilities to transfer arrestees except:

- To transfer custody pursuant to a judicial warrant or judicial probable cause determination for a criminal offense that authorizes a law enforcement officer to arrest and take into custody the individual for a federal criminal immigration offense; or,
- To transfer custody of an arrestee for violating 8 U.S.C. § 1326(a), (b)(2), Illegal Reentry after Conviction of an Aggravated Felony, where the prior conviction is classified as a serious or violent felony, as defined in California Penal Code §§ 1192.7(c) and 667.5(c).

As set forth above, the DIAL must approve any transfer of an arrestee to federal authorities for a criminal immigration offense that does not involve a judicial probable cause determination or judicially issued criminal arrest warrant.

ICE Access to Jails for Interviews of Arrestees. Custody Services Division personnel shall not allow US-ICE agents access to Department jail facilities to interview an arrestee for the purpose of immigration enforcement.

JOINT TASKFORCE PARTICIPATION AND OPERATIONS

Restricted Purpose

Department personnel shall not participate in a joint law enforcement task force where the primary or direct purpose is to enforce civil immigration laws or when participation in the task force violates local law or policy. Department personnel may participate in joint task forces with US-ICE or US-CBP membership where the purpose of the task force is to investigate violations of local, state or federal criminal laws unrelated to immigration enforcement.

Requirements to Comply with LAPD Policies and Procedures

Memoranda of Understanding for Joint Task Forces. All memoranda of understanding (MOUs) entered into after issuance of this Notice for joint law enforcement task forces involving US-ICE or US-CBP shall include a provision indicating that LAPD participants must comply with LAPD policies and procedures regarding immigration enforcement during their participation in any task force activity.

All MOUs entered into after the issuance of this Notice for joint task forces involving US-ICE or US-CBP shall include provisions that Department personnel will not participate in, or assist with, civil immigration enforcement and, if deputized as a federal task force officer, Department personnel will not accept any legal authority to enforce civil immigration offenses.

Joint task force MOUs shall be reviewed and approved by the Director, Office of Constitutional Policing and Policy.

Task Force Officer Acknowledgment Requirement. All Department personnel shall sign an acknowledgment of LAPD policies and procedures regarding immigration enforcement prior to participation as a task force officer.

Task Force Operations. Department personnel may participate in joint task force operations, such as execution of criminal search or arrest warrants, interviewing witnesses, or other criminal investigative activities, involving US-ICE or US-CBP when execution of the operation will not involve civil immigration enforcement by any participant.

Non-Task Force Joint Operations. Department personnel may participate in non-task force joint operations, such as execution of criminal search or arrest warrants, interviewing witnesses, or other criminal investigative activities, involving US-ICE or US-CBP when:

- Execution of the operation will not involve civil immigration enforcement by any participant;
- A tactical or operational plan identifies all agencies to be involved in the execution of the joint operation, and,
- The joint operation is approved by the corresponding Director for the Office of Operations or Office of Special Operations.
