Dear Police Commission:

Please accept this E-mail and its attachments as my personal public comment for the Board of Police Commissioners 9:30 AM meeting September 26, 2023.

ACTION REQUESTED:

Please adopt a policy directing Charitable Services to include CLEA as the one LGBTQ+ “umbrella” organization in the annual Combined Charitable Campaign effective 2023 and thereafter.

BACKGROUND:

1. Give to LA (GTLA) is the annual outreach by the City’s Combined Charitable Campaign (CCC) appealing to 40,000 City employees (Mayor’s announcement attached).
2. Payroll deductions by the Controller’s office are enrolled in October for one-time, or recurring biweekly, from the donor civil servant’s paycheck (form attached).
3. Participation in CCC is controlled by the Police Charitable Services Unit.
4. Currently, 10 umbrella agencies are included, including 6 minority organizations:
 - a. Asian Pacific Community Fund
 - b. Brotherhood Crusade
 - c. United Negro College Fund
 - d. United Latinx Fund
 - e. Los Angeles Foundation on Aging
 - f. Variety the Children’s Charity
5. **No LGBTQ+ umbrella organization has been approved by the Police Charitable Services Unit** to participate, sending an exclusionary signal to the entire LGBTQ+ community of City employees.
6. CLEA is the City of Los Angeles LGBTQ+ Employees Association, composed of City of Los Angeles civil servants, serving those of the 40,000 City civil servants who believe in gender equity and orientation equity.
7. CLEA is a Qualified Employee Organization (QEO) per the City Clerk (page numbered 50, at https://clerk.lacity.gov/sites/g/files/wph1491/files/2021-02/lacityp_025601.pdf)
8. CLEA is an “umbrella organization” which has “working agreements” with dozens of “child” charities, and should be selected as a CCC **umbrella** participant in GTLA.
9. CLEA completed all paperwork Charitable Services initially required to participate in CCC, and was verbally refused by creation of new unwritten requirements not reflected previously by Charitable Services (coversheet attached).

10. Perfectionism has historically been used to exclude minorities from participation in society (<https://tobifairley.com/podcast/perfectionism-patriarchy/>)
11. Any **one Commissioner** can move to have the issue placed on the agenda, and the Commission can establish policy that Charitable Services must include CLEA as the LGBTQ+ umbrella organization in the CCC during 2023 and thereafter.

With appreciation,
Ed (he/him)

Dear City Family:

For more than 20 years, *Give to LA*, the City of Los Angeles Combined Charitable Campaign, has coordinated some of our City's most respected and successful charitable agencies into a single employee fundraising endeavor. This is another way our remarkable public servants go above and beyond the call of duty to give back to our fellow Angelenos -and with the COVID-19 upending lives and livelihoods, all of us are being asked to step up again in unprecedented ways.

Your commitment, your determination, your resolve and perseverance inspire me every day, and I am writing to encourage you to join this year's *Give to LA* charitable campaign.

The campaign kicks off on October 3rd and will run through December 9th. There are two easy ways to support the campaign: sign up for convenient recurring payroll deduction or make a one-time donation to the nonprofit(s) of your choice. The *Give to LA* family of charities provide a range of services, including lifesaving treatments, programs to support youth education programs, actions to safeguard our environment, provide shelter and food to the homeless, college scholarships, and more.

Visit www.givetola.org to learn more about the participating charities and their work to improve the lives of Angelenos. Thank you for your continued investment in our City's future.

Sincerely,

Dear Police Commission:

Please accept this email as my personal public comment for the Board of Police Commissioners 9:30 AM meeting September 26, 2023.

ACTION REQUESTED:

Please adopt a policy directing Charitable Services to include CLEA as the first LGBTQ+ “umbrella” lead organization in the annual Combined Charitable Campaign effective 2023 and thereafter.

Thank you for including the 6 minority organizations in the charitable campaign Asian Pacific Community Fund, Brotherhood Crusade, United Negro College Fund, United Latinx Fund, Los Angeles Foundation on Aging, and Variety the Children’s Charity.

However, it seems that not a single LGBTQ+ umbrella organization has been approved by the Police Charitable Services Unit to participate.

I've been informed that any one Commissioner can move to have the issue placed on the agenda, and the Commission can establish a policy that Charitable Services must include CLEA as the LGBTQ+ umbrella organization in the CCC during 2023 and thereafter.

I urge the Police Commission to recognize the urgency of this matter due to the increased anti-LGBTQ+ climate nationwide. Your immediate action will send a message that your intention is to be inclusive and provide equitable support.

Thank you,

No LAPD BOPC, LAPD Chief and All Concerned Citizens,

The inability of the Police Commission President to maintain and enforce the rules of the Police Commission regarding disruptions continues. The failure to employ California Penal Code section 403 PC Disrupting a public meeting (misdemeanor) continues, despite the weekly interruptions by the same usual suspects who have no regard or consideration for the attendees of the meeting and its stated purpose.

Flagrant violations of the law 403 P.C. in plain view of the Police Commission President, Commissioners, the Chief of Police, the Sgt at Arms breeds a continued lack of respect for the rules, the law, the LAPD, and the government itself.

We, the people, demand that you immediately change course and begin to enforce the rules and law and restore order to Police Commission meetings for the benefit of all. If you do not do so, the public will continue to lose trust and confidence in you as you promote a culture of not enforcing, or inconsistently enforcing, the rule of law. The eventual result of that is anarchy and your loss of legitimacy as an organization and institution.

We, the people, support the men and women of the LAPD who, every day, risk their lives to protect and serve us under very difficult circumstances.

We expect and encourage the LAPD Police Commission and Chief of Police to support our police officers, proactive policing, and the community policing partnership as much as We, the People, do!

Thank you,
Voices For LAPD
