NOTICE

2.1

TO: All Commanding Officers

FROM: Employee Relations Administrator

SUBJECT: OUTSIDE EMPLOYMENT AND THE 4/10 WORK SCHEDULE

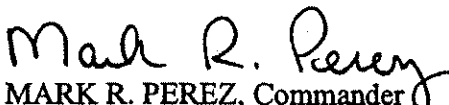

Employees assigned to the 4/10 flexible work schedule are now allowed to work outside employment within 24 hours of their regularly scheduled workday. The Department and the Los Angeles Police Protective League have agreed to amend Memorandum of Understanding (MOU) No. 24, Amendment No.1, regarding outside employment.

Amendment No. 1, Article 8, continues to prohibit employees assigned to the 3/12 flexible work schedule from working outside employment within 24 hours of their regular workday.

This revision of the MOU does not change any other element of the Department's policy on Permits for Outside Employment.

Please convey this information to your sworn employees at your earliest convenience.

If questions arise regarding this change in policy, please contact Lieutenant Fletcher, Employee Relations Group, at (213) 485-6552.

MARK R. PEREZ, Commander
Employee Relations Administrator
