

OFFICE OF THE CHIEF OF POLICE

May 5, 2020

NOTICE

1.17

TO: All Department Personnel

FROM: Chief of Police

SUBJECT: INFORMATION TECHNOLOGY BUREAU - TECH WATCH VIDEOS

As the Department expands the use of new technology, Information Technology Bureau (ITB) has begun to produce short instructional "TechWatch" videos that are available to all personnel. These videos are an ever-expanding digital library containing tutorial, bulletins and how to guides, designed to educate and enhance the user's experience.

As new technology is adopted or enhanced features on existing systems become available, ITB will produce new content to assist Department personnel. Currently, the TechWatch library contains video guides to aid in setting up a secure Zoom Video meeting, Remote Access Set-up, Microsoft Teams use, OneDrive, Axon Video Downloads and Palantir Training.

Personnel can locate the ITB TechWatch library from the bottom left hand corner of the Department's LANs Home Page, or via "Video" in Office 365 (www.office.com), under the "ITB TechWatch" channel.

Should you have any questions about this Notice, please contact Information Technology Bureau, at (213) 485-0370.

MICHEL R. MOORE
Chief of Police
