

OFFICE OF THE CHIEF OF POLICE

NOTICE
1.17

September 19, 2019

TO: All Department Personnel

FROM: Chief of Police

SUBJECT: INTRODUCTION OF NEW PALANTIR LAUNCH ICON AND
WITHDRAWAL CRIMECO AND MISSION CONTROL DASHBOARDS

The purpose of this notice is to inform Department personnel of the changes to Palantir. The Department will conclude its use of the Palantir Dashboards, CrimeCO and Mission Control on September 30, 2019. The remainder of Palantir's data-logic platforms will remain operational.

Currently the Department is redeveloping the Crime Analysis Mapping System, and introducing a new mission-based crime strategy. The new software improvements will provide new opportunities and technologies for personnel to explore crime data. Future updates on the new solution will be posted on the Department Intranet, InfoWeb.

In addition, in an effort to increase efficiency, Palantir has developed a new Icon to launch Palantir Workspace. Department personnel will find the new Palantir Icon on their desktop, as well as in the new Los Angeles Police Department (LAPD) Application Launcher folder. Access to Simple Web Search, Automated License Plate Reader Web, and ClueMan will remain on the Palantir LAPD launch page, which remains accessible from Info Web.

If you have any questions, please contact Innovation Management Division, at (213) 486-5228.

MICHEL R. MOORE
Chief of Police
