OFFICE OF OPERATIONS

OPERATIONS NOTICE NO. 1 **March 10, 2010**

SUBJECT: ENFORCEMENT OF CALIFORNIA VEHICLE CODES PERTAINING TO CYCLISTS

EFFECTIVE: IMMEDIATELY

Because cyclists are among the most vulnerable users of the roadway and are more likely to suffer injuries in a collision, they need to be recognized as legitimate users of the roadways. Cyclists also deserve law enforcement personnel who are familiar with the laws that apply to both motorists and cyclists who engage in activities that endanger cyclists and the general public. Attached is a list of California Vehicle Code (CVC) sections that have been identified as the leading cause of traffic collisions resulting in injuries to cyclists.

This Notice is to serve as a reminder for officers to be mindful of the provisions granting cyclists equal rights to the use of the roadways. Officers are encouraged to educate the motoring public about the applicable CVC sections through traffic enforcement and community education efforts. Officers observing the violations specified in the attached Notice, and who are available (e.g., not transporting a suspect or enroute to a priority call), shall take appropriate enforcement/education efforts.

Any questions regarding this Notice should be directed to the Evaluation and Administration Section, Office of Operations, at (213) 486-6050.

Director, Office of Operations

OPERATIONS NOTICE NO. 2 **April 22, 2010**

SUBJECT: **COMPLETING TRAFFIC CITATIONS WITH VALID COURT DATES DUE TO COURT FURLOUGHS**

EFFECTIVE: **IMMEDIATELY**

This Notice serves as a reminder to commanding officers and personnel issuing citations that the Traffic and Superior Courts are closed on the third Wednesday of each month as a result of the state budget crisis. Mandated court furlough days were effective July 15, 2009, and will remain in effect until June 2011.

Department personnel received several prior notifications during the 2009 calendar year, including the following:

* Traffic Court Liaison Unit, Detective Support and Vice Division, issued a roll call notice with the *Los Angeles Superior Court Furlough Days* attachment, May 19, 2009;
* Chief of Detectives Notice, *Court Services Closures Due to Furloughs At the Los Angeles Superior Court*, dated June 22, 2009;
* Local Area Network, *Court Closure Update*, posted June 23, 2009; and,
* Local Area Network, *Update of Additional Court Closures*, posted July 8, 2009.

Department employees continue to issue citations with invalid court dates.

Supervisors shall verify that all citations have a valid court date and ensure that corrections and violator notifications are completed immediately. It is incumbent on each command to develop a method that facilitates the officers' access to dates the courts will be closed through June 2011. Each command is responsible for the adherence of this policy.

Officers are encouraged to cross-out all invalid dates on their Los Angeles Police Department Citation Guide, Form 16.65.00, in order to assist them in citing to dates the courts are open. Attached is a list of the applicable furlough dates.

Any questions regarding this Operations Notice should be directed to the Evaluation and Administration Section, Office of Operations, at (213) 486-6050.

The permit has a bold white number (month of expiration) on a red background. With this permit, the vehicle may be operated up to and including the day indicated on the front of the TOP.

The New/Used Report of Sale form is a white form that is used to process the registration application of a new or used vehicle by a dealership. The customer's copy is the bottom portion of the form, titled New Vehicle Dealer Notice Temporary Identification, DMV Form REG 397, or Used Vehicle Dealer Notice/Temporary Identification, DMV Form REG 51, and is commonly referred to as a Temporary Identification. The Temporary Identification must be displayed in the lower rear window of the vehicle so that it can be read from the outside, or if the information would be obscured, in the lower right corner of the windshield.

Note: Per California Vehicle Code Section 4456 (c)(1) and (2), a vehicle displaying a Temporary Identification may be operated without license plates or a registration card until either of the following, whichever occurs first:

* The license plates and registration card are received by the purchaser; or,
* A six-month period, commencing with the date of sale of the vehicle, has expired.

Another valid operating permit is the Vehicle Moving Permit, DMV Form REG 172. This permit allows the vehicle to be driven for only one day as indicated on the permit. The form is white and has specific terms applicable to the vehicle's usage.

This permit is often issued for a vehicle that has been registered as a Planned Non-Operation, or on vehicles for which fees have been paid, but all registration requirements, such as smog certification, have not been met. The Vehicle Moving Permit, accompanied by a Report of Deposit of Fees (Department of Motor Vehicles printout), meets the requirements of a registered vehicle for the day it is issued only.

Any questions regarding this Notice should be directed to the Evaluation and Administration Section, Office of Operations, at (213) 486-6050.
