# Annual Complaint Report 2019

This summary of complaints includes information on the source of complaints, types of allegations received, the disposition of those allegations and the resulting discipline.

The data on this page provides information about the number and source of complaints based on complaints initiated in 2019 and provides a comparison of complaints initiated in 2019 against prior years. The data on the remaining pages is based solely on closed complaints. For closed complaints, data such as final allegation type and complaint disposition are presented along with comparisons with prior years. Because complaints closed in one year may have been initiated in a prior year, the data does not necessarily depict any pattern or trends regarding employee conduct in any particular year.

## DISCIPLINARY HEARINGS 2019

**Comparison of Discipline Imposed.** Lists both the discipline initially proposed by the Chief of Police (COP) and the discipline as determined by a Board of Rights (BOR), by the Civil Service Commission (CSC), or as the result of an Administrative Appeal. Where no penalty appears under Hearing Recommendation, a BOR found the employee Not Guilty or the discipline imposed by the COP was overturned by the CSC or through an Administrative Appeal.
