COUNTER-TERRORISM AND SPECIAL OPERATIONS BUREAU

NOTICE  
16.2

December 9, 2015

TO: All Commanding Officers

FROM: Department Traffic Coordinator, Counter-Terrorism and Special Operations Bureau

SUBJECT: PARKING VIOLATION CITATIONS

PURPOSE

The purpose of this Notice is to provide training regarding proper completion of Parking Violation Citation, Form DT 5001, issued by Department personnel.

BACKGROUND

The Los Angeles Department of Transportation (LADOT) is responsible for processing and collecting all parking violation citations. The LADOT has recently advised that the Parking Violations issued by the Department are routinely being rejected for being completed incorrectly. As a result, it has been requested that the Department provide training to improve the quality of Parking Violation Citations issued and to reduce the number of rejected citations.

DISCUSSION

The LADOT has identified the six common errors that Department personnel routinely commit that result in Parking Violations Citations being cancelled.

- **Issuance of "For Sale" Violations**

The issuance of parking citations for vehicles displaying a "For Sale" sign is governed by Section 87.55 of the Los Angeles Municipal Code (LAMC). This LAMC section provides specific streets in the City of Los Angeles where this practice is prohibited and enforcement is authorized. Prior to issuing a "For Sale" parking citation, verify that the streets are identified in the LAMC to ensure proper enforcement.

- **Critical Fields Not Completed**

The following fields shall be completed:

- **Date**
- **Time**

Time must be based on the 24-Hour clock (Military Time).

- **License**

When no license, enter Vehicle Identification Number (VIN).

- **Last 4 Digits of the VIN**

When the last four digits cannot be obtained, write "NV" (Not Visible) in the "Note" Section of the citation.

- **Registration Expiration Date**

Year/Month – Ensure that the year and month of the registration is listed.

- **Make**

If the vehicle's make cannot be determined, write "UNK" (Unknown) or "OTH" (Other). Citations with a Department of Motor Vehicle make mismatch will be cancelled.

- **Color**

If the color cannot be determined, write "UNK" (Unknown) or "OTH" (Other). Do not leave this field blank.

- **Location**

Indicate the exact, approximate, or block that the vehicle was parked. Avoid using intersections. When providing a street address, use cardinal directions such as North, South, East or West and the roadway type: Avenue, Street, Court or Place.

- **Violation**

An "X" shall be placed on the violation box and the bail amount shall be circled.

- **Violation Code**

Should a violation not be listed, refer to the attached document for the corresponding Los Angeles Municipal Code or California Vehicle Code violation and fine amount. The violation and fine shall be entered in the "Other" field of the Violation Section of the parking citation.

▪ **Notes**

Any entry in the "Notes" field shall apply to the violation and be clearly written. Violations that require observation times must be included in the notes such as Yellow, White or Green Parking Zones, Time Limits, 72 hour Violations, etc...

• **Double Citations**

Parking Violation Citations may only contain one violation.

• **Make Mismatch**

The make of the vehicle being cited must match the "Vehicle Make" that is circled on the Parking Violation Citation.

• **Handicap/Disabled Parking Citations**

The Parking Violation Citation provides four subsections (A, B, C1 and C2) to select. When citing for a Handicap Space Violation, the correct subsection needs to be circled.

• **No Observations Times**

When issuing a Parking Violation Citation resulting from a time violation, the "Note" Section needs to indicate the posted time limit.

Should it be determined that a Parking Violation Citation contains an error(s), do not attempt to correct the citation by striking through the incorrect information and writing VCC (Violator Corrected Copy) with the issuers initials. The LADOT does not recognize this as an acceptable practice.

The violator should be issued a new Parking Violation Citation and the other Parking Violation Citation needs to be voided. A Citation Cancellation Request, Form 04.45.00, shall be completed for all citations requested to be cancelled. Original Parking Violation Citations and requests for cancellations shall be sent to:
