S19 Code 10 Review
Learning Activity #1**

Goal:

Recruit will practice broadcasting a Code -10.

Resources:

Radios

Use Training Division frequency

Completed Field Interview Card

Directions:

Each recruit should have a completed Field Interview card.

Have a recruit step up to the front of the class room and conduct a code 10. The recruit on their own should:

- Broadcast their code 6 location.
- Request a clear frequency.

The class will debrief their classmate's broadcasts.

Time Allowed: 30 minutes
