MOUNTED FORMATIONS AND DRILL

COMMANDS

The Squad Leader will give a preparatory command followed by a pause. The pause will give officers time to process the movement. The Squad Leader will then give the command of execution.

The command of execution will be ██████ to begin or ████████ to have the movement stop.

EXAMPLE: "████████████████████████████████" (Horses will walk forward) ████████████
████████████ (Horses will stop)
