

OFFICE OF THE CHIEF OF STAFF

NOTICE

February 4, 2019

1.2

TO: All Commanding Officers

FROM: Chief of Staff

SUBJECT: PRIORITY PROJECTS FOR THE LOS ANGELES POLICE FOUNDATION

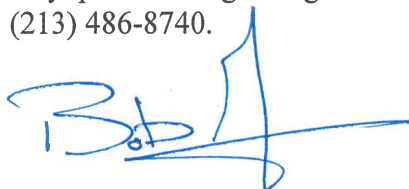

The Los Angeles Police Foundation (LAPF) provides essential resources to the Los Angeles Police Department (LAPD) for projects and programs that would otherwise be unfunded. To ensure their fundraising efforts are in line with the Department's needs, the LAPF consults with LAPD leadership to determine priorities for funding.

Commands requesting to fund critical projects involving any of the topics listed below must complete the attached form and email to Stella Larracas at N3371@lapd.online.

- 1) equipment and technology upgrades
- 2) specialized training
- 3) community outreach
- 4) youth programs

All requests will be presented to the Office of the Chief of Staff for evaluation and selected projects will be included on the Chief of Police Priority List for Fundraising. Once the LAPF secures funding for the selected projects, a notification will be sent to your command to prepare an LAPF General Fund Grant Application. All commands are encouraged to submit requests so that the LAPF can seek potential donors.

Any questions regarding this Notice may be directed to the Office of the Chief of Staff, at (213) 486-8740.
