OPERATIONS NOTICE NO. 10

December 8, 2009

SUBJECT: NEW LEGISLATION FOR 2008/2009 - REVISED

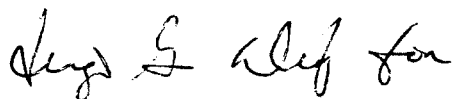

EFFECTIVE: IMMEDIATELY

Operations Notice No. 8, titled *New Legislation for 2008/2009*, dated April 30, 2009, erroneously states in the sub-section referencing California Vehicle Code Section 21714 Motorcycles - Amended, "Drivers may not ride motorcycles on or adjacent to the striping of adjacent traffic lanes, nor between two or more vehicles traveling in adjacent traffic lanes." However, this section should state, "Drivers may not ride three-wheeled motorcycles on or adjacent to the striping of adjacent traffic lanes, nor between two or more vehicles traveling in adjacent traffic lanes."

Operations Notice No. 8 also incorrectly cites California Vehicle Code Section 12810.3 as the section prohibiting the usage of wireless communication while driving. The correct section is California Vehicle Code Section 23123.5.

The remainder of the Operations Notice remains unchanged.

Any questions regarding this Notice may be directed to the Evaluation and Administration Section, Office of Operations, at (213) 486-6050.
