TO: All Concerned Commanding Officers

FROM: Commanding Officer, Special Operations Bureau

SUBJECT: EMERGENCY OPERATIONS TRAINING FOR COMMAND STAFF

On Thursday, January 17, 2008, the Emergency Management Department (EMD) hosted training for Staff and Command Officers who are members of the Emergency Operations Center (EOC), Department Operations Center Command Cadre and for Staff Officers assigned as Liaison Officers to outside agencies Operations Centers. Unfortunately, not everyone assigned to these critical positions were in attendance to receive the training and the specific responsibilities associated with their EOC assignment.

As a result, EMD, in conjunction with Real-Time Analysis and Critical Response Division, will host a secondary two-hour training on March 19, 2008, commencing at 0800 hours, in the Emergency Operations Board Room, City Hall East, P-4 level. Those of you who did not attend the initial training are highly encouraged to attend the makeup session.

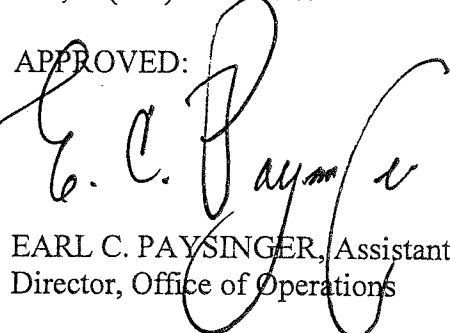

Only those individuals listed on the attached roster are requested to attend the training and receive this critical information. Those who already attended the initial training session are also welcome to attend the makeup session and refresh their knowledge and responsibilities.

With the importance of this training and the fact that a major disaster can occur at any time, it is recommended that all calendar conflicts are resolved in favor of this training.

If you have any questions regarding this matter or require additional information, please contact Lieutenant Don Farrell, Emergency Operations Division, at (213) 359-4096.

RICHARD A. ROUPOLI, Deputy Chief
