

**POLICE SCIENCES AND TRAINING BUREAU
TRAINING DIVISION**

NOTICE
12.1.2

May 1, 2018

TO: All Concerned Personnel

FROM: Commanding Officer, Training Division

**SUBJECT: FIREARMS QUALIFICATION FOR JUNE AND JULY 2018 –
FORCE OPTION SIMULATOR TRAINING**

During June and July 2018, all officers, with the exception of Captains and above and officers with 20 or more years of service, shall qualify on the Force Option Simulator (FOS). All officers must qualify once during the two-month qualification cycle. The qualification will be completed at designated Area/division FOS locations. The training schedules will be approved by the concerned Commanding Officers and prominently posted. The incorporation of the FOS program with its review of the Department's use of force policy, testing of tactical decision making skills, as well as firearms accuracy, is a valuable enrichment tool that fulfills the firearms qualification requirements in accordance with the Department Manual, Sections 3/258 through 3/258.14. The FOS training does not meet the qualification standards for reinstatement of the right to carry a firearm and full powers of arrest as established in the Department Manual, Sections 3/258.02 and 3/258.03.

Per Police Sciences and Training Bureau, Training Division Notice, "Reinstatement of Bonus Qualification," bonus will be reinstated Department-wide, effective June 1, 2018. The first day of bonus qualification will be offered on June 5, 2018, at the Elysian Park Academy bonus range.

Personnel assigned to a geographical Area must qualify at their Area of assignment or a FOS location designated by their Commanding Officer. Training coordinators with personnel assigned to entities within the Police Headquarters Facility (PHF), or other specialized units, wishing to utilize the FOS located at PHF should contact Officer Christina Ambriz, Police Sciences and Training Bureau, at (213) 486-7090. Training coordinators in specialized entities or divisions that do not have a FOS should contact a nearby Area training coordinator or In-Service Training, Training Division (IST-TD), to schedule a FOS qualification date for their personnel. For information on FOS availability at the Academy in Elysian Park, contact Sergeant Steve Arellano, Tactics Training Unit, Elysian Park, (TTU-EP), at (323) 612- 4403. For information on FOS availability at the Davis Training Facility (DTF) and the Ahmanson Recruit Training Center (ARTC), contact Officer London Ward, TTU, DTF, at (818) 832-3774.

The FOS qualification rosters shall be completed and certified by authorized FOS adjunct cadre personnel only. In order to receive credit for the qualification, the FOS rosters shall be submitted to Sgt. Steve Arellano, (TTU-EP).

All Concerned Personnel

12.1.2

The "Back-Up Qualification Course" must be shot with Department approved .380 duty ammunition only. Officers must supply their own duty ammunition for the qualification course and for deployment in the pistol. Upon completion of the "Back-Up Qualification Course" of fire, officers shall take their qualification receipt to the Department Armory and have the pistol entered into the Department's Firearms Inventory and Tracking System (FITS). The Back-up Qualification Course will not satisfy the Department's monthly qualification requirement, and officers are reminded that they shall still qualify on the Force Option Simulator (FOS).

Any questions regarding FOS training and qualification should be directed to the concerned Area/division training coordinators, as they are responsible for program management. Range information, providing dates and times for when .380 qualification, Smith and Wesson M&P and Glock familiarization are scheduled, may be obtained by telephoning the range recording for Academy in Elysian Park, at (213) 485-3139 and the range recording for the DTF, at (818) 832-3718.

ARMAND A. CARRANZA, Captain
Commanding Officer
In-Service Training, Training Division
