

OFFICE OF THE CHIEF OF POLICE

SPECIAL ORDER NO. 4

February 27, 2018

SUBJECT: HANDLING OF FORGED/FRAUDULENT DOCUMENTS – RENAMED AND REVISED

PURPOSE: The purpose of this Order is to add a subsection in the Department Manual for “bulk booking” of evidence recovered in Identity Theft/Forgery investigations. Under this new procedure, the items of evidence individually itemized on a Property Report, Form 10.01.00, would be the items the investigating officer deems significant for case presentation and filing purposes. The remainder of the voluminous bulk items (such as additional counterfeit credit/debit/gift cards, driver licenses, checks, and emails, etc.), while relevant to the case, would not require individual itemization on the Property Report.

PROCEDURE: Department Manual Section 4/525.28, *Handling of Forged/Fraudulent Documents*, has been renamed and revised *Handling Forged/Fraudulent Documents*. Attached is the revised Department Manual section with the revisions indicated in italics.

AMENDMENTS: This Order amends Section 4/525.28 of the Department Manual.

AUDIT RESPONSIBILITY: The Commanding Officer, Audit Division, shall review this directive and determine whether an audit or inspection shall be conducted in accordance with Department Manual Section 0/080.30.

CHARLIE BECK
Chief of Police

525.28 HANDLING FORGED/FRAUDULENT DOCUMENTS. When an Investigative Report (IR) is made for Forgery or Identity Theft, the DR number shall be typed or written in ink on the upper right corner of a manila envelope prior to placing the document(s) in the envelope to prevent contamination of the document(s). Paper-clip the envelope containing the unfolded forged/fraudulent document(s) to the back of the completed IR.

Exception: Forged/fraudulent items such as identifications, credit cards, and checkbooks, shall be booked as evidence.

Bulk Booking of Evidence for Identity Theft, Forgery, and Property Reports. Property Division will accept Identity Theft/Forgery bulk evidence items separated and itemized for booking per the Commercial Crimes Division (CCD) investigator's requirements, based on case filing and prosecution.

The evidence items that are individually itemized on the Property Report, Form 10.01.00, are the items the Investigating Officer (I/O) deems significant for filing purposes. The remainder of the voluminous bulk items are important to the case, but do not need to be individually itemized on the Property Report.

Property shall be itemized in the following order:

- *Narcotics;*
- *Money;*
- *Firearms;*
- *Property with serial numbers; and,*
- *Other property.*

If related to previously booked evidence, start with the next sequential item number.

Following the narcotics, money, firearms, and property with serial numbers, the identity theft/forgery items listed as evidence shall be the individual subsequent identification items. These items shall be photocopied (back and front) by the reporting officer or the I/O, prior to booking.

At the start of the property listing, the booking officer shall make a note of the CCD detective with their serial number approving the bulk booking.

For Example: Detective III J. Smith, Serial No. 12345, was notified and approved bulk booking.
