

**AIR SUPPORT DIVISION**

**NOTICE**

16.1

May 29, 2008

**TO:** All Air Support Division Personnel

**FROM:** Commanding Officer, Air Support Division

**SUBJECT:** SAGEM PANEL FAILURE

Please be advised that, Air Support Division (ASD) is currently training more pilots in the use of the Sagem Panel. The following procedures must be implemented when experiencing a panel failure:

- Immediately activate the "Display Switch" to switch instruments to other panel.
- During normal ASTRO missions, the aircrew shall return to Hooper Memorial Heliport (HMH).
- When responding to/monitoring an "officer safety" call, the aircrew may use their own discretion and complete the call.
- During a cross-country flight, the aircrew may continue to their destination or to the first refueling airport and contact HMH.

Any questions regarding this Notice, shall be directed to ASD Chief Pilot Michael Neveaux.

MICHAEL C. WILLIAMS, Captain  
Commanding Officer  
Air Support Division
