May 3, 2000

TO: All ASD Personnel

FROM: Commanding Officer, Air Support Division

SUBJECT: ATTENDANCE AT THE AIRBORNE LAW ENFORCEMENT
ASSOCIATION 2000 CONFERENCE AND EXPOSITION

Scheduled to begin July 19, 2000, the Airborne Law Enforcement Association (ALEA) 2000 Conference and Exposition will occur in Albuquerque, New Mexico. Beginning July 17, 2000, several ALEA professional courses will be conducted in conjunction with the conference. Many ASD personnel have indicated a desire to attend the conference "on City time."

A request for authorization to attend the ALEA conference and exposition "on City time" will be submitted. Because of the large number of ASD persons requesting to attend, it is necessary to reduce the number requesting to a reasonable level. Priority will be given to ASD persons who have secured attendance at one of the professional courses to be conducted immediately prior to the conference. If interested in the possible assignment "on City time," please submit to the ASD Adjutant confirmation of scheduled attendance to one of the ALEA courses as soon as possible. The deadline for submitting such confirmation is May 26, 2000. Confirmation could include an Employee's Report, Form 15.7.

Questions regarding this Notice should be directed to the Adjutant.

KENNETH R. HALE, Captain
Commanding Officer
Air Support Division
