

AIR SUPPORT DIVISION

ASD ORDER NO. 1 – 2000

February 16, 2000

TO: All Air Support Division Personnel

FROM: Commanding Officer, Air Support Division

SUBJECT: PURSUITS AND OTHER TACTICAL SITUATIONS

As a matter of policy, Air Support Division (ASD) personnel **shall not** recommend that ground units “ram, box in” or use other similar tactics during a pursuit. The primary responsibility of ASD personnel during a pursuit is to report their observations to the ground units so that appropriate decisions can be made by the supervisor(s) responsible for the pursuit. Additionally, ASD personnel **shall not** make tactical recommendations to ground units to deploy lethal and/or non-lethal weapons. As in pursuit management, those decisions are the purview of the ground supervisor(s) managing the situation.

Questions regarding this Order should be directed to the ASD Adjutant.
