

AIR SUPPORT DIVISION

ORDER NO. 5, 2007
16.1

October 4, 2007

TO: All Air Support Division Personnel

FROM: Commanding Officer, Air Support Division

SUBJECT: FLIGHT HOUR REQUIREMENT

Effective Deployment Period (DP) No. 11, 2007, all Air Support Division (ASD) personnel receiving a flight bonus, including supervisory personnel, shall fly a minimum of 20 hours per DP.

The primary purpose of this requirement is to provide ASTRO resources to field personnel, while simultaneously maintaining aviation proficiency. However, I realize that not all assignments within ASD are conducive to flying ASTRO missions on a consistent basis. Therefore, flight hours may also be accumulated via Special Flights Section missions, maintenance flights, and training flights.

On a quarterly basis, an audit will be conducted to determine compliance with this directive.

Questions regarding ASD Order No. 5, 2007, may be directed to me.

MICHAEL C. WILLIAMS, Captain
Commanding Officer
Air Support Division
