NOTICE No. 2, 2015
16.1

April 3, 2015

TO: All Air Support Division Personnel

FROM: Commanding Officer, Air Support Division

SUBJECT: REVISED - ROTATION FOR TWO AIR SUPPORT DIVISION CADRES

This is to advise you that the availability of the Air Support Division positions, for the Support Section Officer-In-Charge and the Safety Officer, are needed for rotation based on a strategic goal that addresses the known long term changes to deployment. Due to the complex nature of these positions and ongoing projects, those interested will be required to attend training and begin an integration process to begin later this year and conclude at a time to be determined by the commanding officer.

If you have any questions regarding this supplemental to Notice 1, 2015, please direct them to me.

GARY W. WALTERS, Captain
Commanding Officer
