November 10, 2014

TO: All Office of Operations Personnel

FROM: Director, Office of Operations

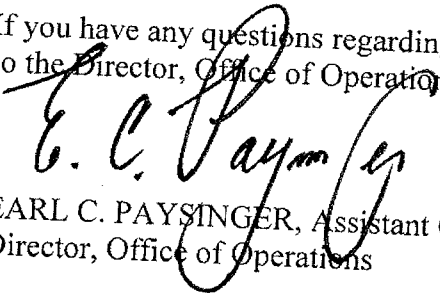

SUBJECT: NOTIFICATION OF THE DISCONTINUATION OF LOANS TO THE TRAFFIC DIVISIONS

On January 31, 2014, the Department declared 2014 to be "The Year of the Traffic." Based on a desire to reduce "A" and "K" traffic collisions, a substantial commitment was made, redeploying personnel from all Areas into Traffic Divisions. Although the deployment and utilization of additional personnel into Traffic Divisions was successful, there is a need to balance resources throughout the Department to assist with new endeavors.

Most recently all Office of Operations Command Officers were challenged to develop crime strategies and goals that were specific to their respective commands. In support of these goals, we will reallocate the much needed resources to assist with their success. In order to assist Area Commands in accomplishing their goals, on December 27, 2014, "The Year of the Traffic" will conclude and officers on loan will return to their respective Areas. We recognize this previous deployment of personnel was an intelligent and strategic effort enacted to address traffic related issues in our communities. Since one of the desired byproducts of this loan was to rejuvenate, reeducate and further develop a passion for traffic enforcement, by reassigning officers back to their prior Areas, we will be reintegrating this renewed passion and expertise into the larger work force. This action will thereby act as a force-multiplier in the commitment and effectiveness of traffic enforcement.

Effective December 28, 2014, Deployment Period No. 1-2015, all traffic loans will be returned to their previous division of assignment.

If you have any questions regarding this issue, please contact Commander Matt Blake, Assistant to the Director, Office of Operations, at (213) 486-0110.
