

OFFICE OF SPECIAL OPERATIONS

NOTICE
1.18

May 16, 2013

TO: All Area Commanding Officers

FROM: Director, Office of Special Operations

SUBJECT: AREA ACCESS TO RECREATION AND PARKS BUILDINGS USED FOR
THE PUBLIC DISPLACED BY FIRE, POLICE ACTIONS, AND OTHER
EMERGENCIES

On January 1, 2013, the Office of Public Safety (OPS), Department of General Services, was transferred into the newly formed Security Services Division (SECSO), of the Los Angeles Police Department. One of the prior duties of OPS was for patrol officers to open Recreation and Parks buildings located in the local parks for families temporarily displaced by fire, police actions, or other emergencies.

As part of the transfer of OPS to the Department, the OPS patrol function was eliminated. Police response and patrol duties are now being handled by the Area stations. For that reason, should a park building be required to be opened in the future for emergency purposes, it will be the responsibility of the Area Community Police Station where the park is located.

Security Services Division is providing the attached list of parks by Area in an effort to determine if concerned personnel can access the facilities in their Area. Please review the attached list of locations in your Area and forward an Intradepartmental Correspondence, Form 15.02.00, to the Commanding Officer, SECSO, indicating what parks you are able/unable to access in your Area.

If you have any questions, please have a member of your staff contact Sergeant Mark Griffin, Security Services Division, at (213) 978-4653.

MICHEL R. MOORE, Assistant Chief
Director, Office of Special Operations
