

P.O.S.T. Institute of Criminal Investigations
SEXUAL ASSAULT INVESTIGATIONS (ICI)

EXPANDED COURSE OUTLINE (40 Hours)

CCN: 1850-33430

Reviewed 08/20/2021

Instructional Goal: To provide Sexual Assault Investigators with the specialized skills and knowledge necessary to collaboratively, effectively, and objectively conduct investigations unique to sexual assault.

Performance Objectives:

Upon completion of the course, the student/investigator will be able to:

- Interpret and apply sexual assault related laws.
- Competently exercise their investigative skills in sexual assault cases to increase the likelihood of successful prosecution under California law.
- Identify the importance of a sexual assault forensic medical examination as an investigative resource.
- Understand victim dynamics and counterintuitive behaviors.
- Develop specific investigation and interrogation framing based on offender typology

Day 1

I. Introductions & Overview (60 Min)

A. Instructor and Student Introductions

1. Name
2. Agency
3. Amount of time investigating sexual assault cases
4. What do you like about sexual assault investigation?

B. Instructor Expectations

1. Promptness
2. Cell Phone Courtesy
3. Proper Dress Code
4. Participation in all activities

II. Legal Aspects (300 Min)

A. Introduction

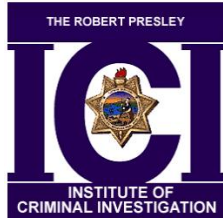

1. Instructor Introduction
2. Review Segment Goals and Objectives
3. General Opening Questions

B. Adult Sex Abuse Law

1. 261(a)(2) Rape
2. Important Definitions

C. Evidence Code Sections Need to Know

1. Evidence Code 1103(c)(1)
2. Evidence Code 1108
3. Evidence Code 1240
4. Fresh Complaint Doctrine
5. Rape Trauma Syndrome
6. Syndrome is an acute stress reaction to a life-threatening situation
7. Type of Post-Traumatic Stress Disorder

D. Defenses

1. Honest and Reasonable Belief that Victim Consented is a defense
2. False Report
3. No Physical Evidence
4. Insufficient or inept investigation
5. Identification – not me
6. Mistake of age – only for “unlawful sex” crimes
7. Suggestive Interview

E. Courtroom Presentation

1. Direct Testimony
2. Ten Ten Testifying Tips for Investigators
3. Cross Examination
4. Cross Examination Pitfalls

F. Statute of Limitations

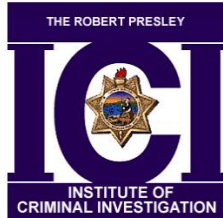

1. General Provisions
2. Special Sections for Child Sex Crimes
3. Explain Stogner case
4. 803(f) Stogner limitations
5. 803(g) applies to 290 crimes
6. 801.1(b) applies to felony 290 offenses
7. 801.1(a) applies to felony 261, 286, 288, 288.5, 288a, 289
8. 801.2 applies to 311.4(b) production of child porn
