

# In the future for LAPD...

The Department is striving to modernize and create IT solutions utilizing a Customer Relationship Management (CRM) platform for the LAPD Human Resource Management, Academy Recruit Management, and Probationary Police Officer Evaluation Management process. The CRM platform will combine the efforts of multiple entities (Personnel, Recruitment, Training, and Operations) into a collective portal as a management tool and resource to enhance the Departments efforts.

Dodgers to host All-Star Game in 2020

## 2019

Today, the City of Los Angeles is one of the most ethnically and geographically diverse cities in the country. Its residents speak 224 languages and live in diverse communities. LAPD Officers are sworn to protect and to serve the more than 4 million residents of the City of Los Angeles. Their jurisdiction is the sprawling 468 square miles of the City.

Super Bowl LVI, the 56th Super Bowl is scheduled to be played on February 6, 2022, at Los Angeles Stadium at Hollywood Park in Inglewood, California (with the exact date pending potential changes to the NFL calendar). It will be the eighth Super Bowl hosted by the Greater Los Angeles Area.

2026 FIFA World Cup coming to the USA. Will it come to LA?!?! Time will tell.
