

🔑 **At Home:**

- 📺 **Be extra cautious! Lock your doors and windows when you leave the house, even for a few minutes;**
 - 📺 **When leaving home for an extended period of time, have a neighbor or family member watch your house and pick up your newspapers and mail;**
 - 📺 **Indoor and outdoor lights should be on an automatic timer;**
 - 📺 **Leave a radio or television on so the house looks and sounds occupied;**
 - 📺 **Large displays of holiday gifts should not be visible through the windows and doors of your home;**
 - 📺 **When setting up a Christmas tree or other holiday display, make sure doorways and passageways are clear inside your home;**
 - 📺 **Make sure your Christmas tree is mounted on a sturdy base so children, elderly persons or family pets cannot pull it over on themselves;**
 - 📺 **If you use lights on your Christmas tree ensure the wiring is not damaged or frayed. Frayed or damaged wiring can cause a fire.**
- 🚗 **Drive defensively and remember, traffic is heavier during the holidays. Look out for drunk drivers!**
