December 15, 2020

**NOTICE**  
11.3

**TO:** All Department Personnel

**FROM:** Chief of Police

**SUBJECT:** MOBILE DIGITAL COMPUTER RECAP CODE FOR HOMELESS – REVISED

The Department continues to value capturing accurate and timely data to identify trends and strategies. As part of that effort, effective January 1, 2020, new Mobile Digital Computer (MDC) Recap Codes became available to assist the Department in accurately capturing data when the radio call or incident involves a person experiencing homelessness and/or the radio call or incident occurred in a transit-related location (either bus or rail).

This Notice revises the MDC Recap Codes for Homeless Involved, removing HSI: Homeless Suspect Involved and HVI: Homeless Victim Involved. All homeless related calls will now use only one recap code – **HPI: Homeless Person Involved**.

For any questions regarding this Notice, please contact the Evaluation and Administration Section, Office of Operations, at (213) 486-6050.
