3. Determination in accordance with AB 361 whether meeting in person presents imminent risks to the health or safety of attendees and continues to directly impact the ability of the Board members to meet safely in person because of the continuing state of emergency related to the COVID-19 pandemic. Possible Board action. Government Code section 54953(e)(1) and (e)(3).

Recommendation for Board action:

Find that the COVID-19 state of emergency remains active and state or local officials have imposed or recommended risk reduction measures. That on July 7, 2022, the Los Angeles County Department of Public Health reported that the predominant COVID-19 sub-variants have higher transmissibility and the ability to reinfect those who were infected with other variants. The increase in cases has translated to an increase in the number of COVID-19-related hospitalizations and deaths. The average number of COVID-positive patients per day in LA County hospitals has increased from one month ago. In accordance with AB 361 this Brown Act body has reconsidered the circumstances of the state of emergency and that the state of emergency continues to present imminent risks to the health and safety of attendees and continues to directly impact the ability of the Board members to meet safely in person.

4. CONSENT AGENDA ITEMS

The Consent Agenda items are considered to be routine and non-controversial upon which documentation provided to the Board is adequate to give sufficient information for approval without inquiry or discussion. It is designated to minimize the time required for the handling of routine matters in order to permit additional time to be spent on more significant matters. The President can call for ayes and nays on the Consent Agenda as a whole and the vote will be treated as a separate vote on each item.
