The Purpose of the Community – Police Advisory Board (C-PAB) is to build and maintain a partnership between the Los Angeles Police Department (LAPD) and the diverse residential and business communities of the LAPD Area that the CPAB represents. The ultimate goal of a C-PAB is to reduce the incidences and fear of crime; improve the quality of life; ensure the safe and expeditious flow of traffic; establish emergency preparedness; and, create community engagement programs.

An Area C-PAB's role is to advise the Area Commanding Officer regarding public safety issues that affect the community of that Area. Additionally, C-PAB's are Area specific and serve as one of the channels of communication and information between LAPD and the community of that Area.

Central Area C-PAB hybrid meetings are currently held every 3rd Thursday of every month at 10:00 am at Central Station **(times and locations subject to change.)** For Zoom link and further information, please contact Officer L. Solorzano at 41499@lapd.online (213) 705-5198 or Officer E. Teyechea at 42419@lapd.online.
