Expanded Course Outline

Instructional Goal: The students will develop the skills and qualifications necessary to present the Driving (PSP) 1850-29502 course in accordance with POST Regulation 1070 regarding the teaching of Specialized Subjects.

Performance Objectives: Students will understand and be able to identify issues regarding presenting the Driving (PSP) 1850-29502 course and become proficient in instructing the course. The students will:

- Demonstrate knowledge of their Driver Training/Awareness skills and techniques
- Demonstrate a minimum standard of psychomotor skills with every technique and exercise to include:
 - Judgement and Decision-Making
 - Policy/Legal and Moral Issues
 - Basic Driving Principles and Vehicle Dynamics
 - Defensive Driving
- Understand the Department policy regarding seat belts
- Identify the components of defensive driving and the factors that affect them
- Recognize the factors that affect safe driving at intersections and on freeways
- Understand vehicle operation factors as they relate to the driver and vehicle
- Identify the primary causes of traffic collisions.
- Understand and apply the formulas for feet per second, feet traveled in $\frac{3}{4}$ of a second and braking distances
- Identify the components of total stopping distance
- Understand the 3-second rule as it applies to safe following distances
- Understand how the ABS braking system affects control during a maximum brake application
- Recognize the importance of continued and consistent EVOG training
- Implement and manage the learning activities and driving exercises in the Driving (PSP) 1850-29502 course

- References:** Instructors, facilitators and training supervisors shall ensure that the most current references are utilized

DAY 1

I. INTRODUCTION

(30 min)

- A. Welcome and Introduction
 - 1. Welcome participants
 - 2. Instructor introduction
- B. Administrative duties
 - 1. Roll call
 - 2. Class roster
 - 3. Course guidelines, rules and expectations
 - 4. Safety Policy review
- C. Course purpose
 - 1. Increase safety
 - 2. Reduce traffic collisions
 - 3. Train a cadre of instructors
 - 4. Increase refresher course presentations
 - 5. Meet Perishable Skills Program (PSP) mandates

PSP II (a)

LOS ANGELES POLICE DEPARTMENT
Driver Awareness Instructor
1850-21815
Expanded Course Outline

- 6. Reduce Department liability
- D. Course philosophy
 - 1. Use driving principles properly
 - 2. Coordinate driving principles to increase vehicle control and safety
 - 3. Develop skills to successfully present course content
- E. Course Objectives
 - 1. Overview
 - 2. Exercises
 - 3. Evaluation/Testing
- F. Presentation assignments for Day-3
 - 1. Assign exercises to students
 - 2. Review presentation requirements
 - 3. Review demonstration and practice schedule for topics
- G. Handouts
 - 1. Review handout material related to the Driving (PSP) 1850-29502 course
 - 2. Review list of visual aids that are used in the Driving (PSP) 1850-29502 course
 - 3. Introduce CA POST Driver Awareness Instructor Course Manual

II. TEACHER TRAINING REVIEW

(30 min)

- A. Adult learning
 - 1. Students may utilize handouts and other resources during instruction
 - 2. Involve the students: require feedback, challenge their intellect and utilize their experience and perspective
 - 3. Reinforce content and concepts not brought out by the class
 - 4. Provide opportunities for students who have used team teaching and facilitation an opportunity to share experiences
 - 5. Encourage participation and ownership of the learning environment
 - 6. Answer student questions and encourage inquisitiveness
- B. Learning modalities
 - 1. Definitions
 - 2. Most individuals use a combination of modalities in learning situations
- C. Adult learning styles
 - 1. Cognition
 - 2. Conceptualization
 - 3. Affects
 - 4. Behaviors
- D. Facilitation
 - 1. Utilize student knowledge, skills and abilities to assist in the exchange and expansion of information
 - 2. Understand that most adult learners have tremendous relevant experience
 - 3. Learn to access student experiences to promote participation
- E. Facilitation techniques
 - 1. Students work together in groups
 - 2. Facilitators student's knowledge, skills and abilities to inspire discovery
 - 3. Facilitators reframe, rephrase and expand student questions to prompt responses
- G. Training methods
 - 1. Lesson planning
 - 2. Adult learning
 - 4. Instructor pitfalls
 - 5. Learner challenges/problems
