

Hello. I am Senior Lead Officer Deon Joseph. We are hosting our Faith in Blue event and would love to have any faith leader or staff from your house of worship to grace us with your attendance. We will be discussing import issues impacting the Downtown LA area, and how the Faith Community can be a part of the solution. The focus will be myths about policing and honoring the incredible Pastor Anthony Stallworth for his leadership in Skid Row. If you are interested in participating, please contact me via email at 32511@lapd.online or call me at (213) 793-0740.
