STEPS FOR OBTAINING A PERMIT

- 1. Submission:** Applications will not be accepted by mail. Please send your completed application documents by email to pcpermitapplications@lapd.online
- 2. Review:** Once received, an Investigator will review your application for completeness and reach out to schedule your in-person appointment.
- 3. Appointment:** During the appointment you will turn in the original application documents and complete the payment required for processing the permit with the Office of Finance.
- 4. Investigation:** The Investigator assigned to your case will complete the investigation and reach out to inform you of the final notice.

PLEASE NOTE

- Obtain all other city permits as the police permit is the last stop. Other permits may include the Department of Building and Safety's Temporary Special Event (TSE) permit, Fire Marshall plot plan approval, park permit for usage, etc.
- The cost of processing applications for this permit is **\$160.00**, subject to change.
- CID does not have a designated area for visitors. If you plan to park on the street, metered parking is limited to 1 hour. Plan ahead, and allow extra time to find a parking garage. Please be prepared for any unexpected delays or parking issues.
- Permits are **not transferable**. If you are moving locations or there is a change in ownership, you are required to re-apply.

If your application remains incomplete 30 days after submission, your case will be filed without further action, and you will NOT be allowed to continue with the process. You may resubmit at any point after you have made the necessary changes to your application.
